### DAVIDSON'S CASH STORE

Oh! say can you SEE. If you can, well and good; if not, get our glasses and see as you should. People with perfect eyes see clearly and continuously, without pain, strain or discomfort.

If your eyes trouble you it is a sure sign that something is wrong somewhere. Inflammation and sore eyes are usually caused by eye strain.

If the cause is eye strain it can be removed by properly fitted glasses.

Wouldn't you be glad to change your red, swollen, itching eyelids for a pair of our glasses? You'd see better, look better and feel better.

## THERE ARE SOAPS AND SOAPS

All look pretty much alike, but a little chemical testing shows great differences. Some too alkaline, some too acid, some hardly soap at all.

Now we can't make toilet soap conveniently, but we can buy the right kind and know it is right when we buy it.

Almond Meal Toilet Soap has been tested in this hard water and gives satisfaction.

We also carry a large line of leading brands of Toilet Soaps.

**ANNUAL MEETING TODAY.**—The annual meeting of the Arizona Canal Water Users' association will be held this afternoon at 1:30 o'clock in the board of trade room. Five directors of the company are to be elected and other business discussed that will be of great interest to the members of the association. A full turnout of the stockholders is desired.

**A REDWINE EXCITEMENT.**—Some heartless wretch played the old joke on the Redwine sleuth yesterday, and he breathlessly asked, "Is the Redwine the fugitive from justice, in Phoenix?" That is more easily answered, than that other inquiry, "Why is a cow?" He is not. A day or two ago a man by the name of Frank Merwin, from California, arrived in town on his way to Mexico. He does not look at all like the fugitive but there is a certain similarity of the names that suggested to a practical joker the stirring of the sleuth to action again. He went to a saloon, looked at a glass of claret and not only looked on it but drank it, and then went forth announcing

"NONE FIT LIKE OURS."

ing that he had seen red wine. As it was designed to be done this was brought to the notice of the sleuth who had the machinery of the law fired up to no purpose. Mr. Merwin called at The Republican office, saying that he had been put to some inconvenience by the story. He was surrounded in a saloon and held up for the drinks until he could prove that he was not Redwine and hand never saw him nor heard of him until that moment.

**A SKATING RINK ROMANCE.**—If the Maricopa skating rink had done nothing else it would have been the means of bringing one happy couple together. George T. Johnson and Miss Bertha Bray were united in marriage last night by Justice Johnstone. They formed an acquaintance at the skating rink three months ago, and from that moment it has been a love affair. Mr. Johnson has grown up in Phoenix, and has spent the greater part of his life here. He is a steady, industrious young man, and is now the bookkeeper at the Sturgeon meat market. The bride, an exceedingly handsome young lady, came here from Missouri about eighteen months ago. Mr. and Mrs. Johnson will reside for a time at the Grand View.
